PARTICIPANT TOOLKIT

READ ME FIRST

This Participation Toolkit is designed to help attendees, sponsors, and speakers promote their involvement in SAMPE 2026 with a cohesive look and feel aligned with official conference communications.

Inside, you'll find instructions on how to use graphics, suggested messaging, and event hashtags to make it easy to share your participation in the upcoming SAMPE 2026 conference in Seattle.

Think of this toolkit as a starting point. Use these assets as a foundation, then personalize the content to reflect your unique voice, perspective, and experience.

We're excited to have you be part of SAMPE 2026, and we appreciate you helping spread the word!
